Overview

The Arusha National Park Day Safari is one of the best short wildlife experiences from Arusha. Located close to the city, the park offers beautiful scenery, Mount Meru views, Momella Lakes, forest habitats, open grassland, and excellent birdlife. It is a great option for travelers who want a relaxed day safari without long driving distances.

With Serengeti Wild Tours, this private Arusha National Park Day Safari gives you a comfortable safari vehicle, professional guide, and flexible time for game viewing and photography. Although the park is not mainly known for big cats, it is excellent for giraffes, buffalo, zebras, warthogs, blue monkeys, black-and-white colobus monkeys, flamingos, and scenic landscapes. It is ideal for arrival days, free days in Arusha, family trips, and travelers who want a soft introduction to Tanzania wildlife.
