## Overview

The Lake Manyara National Park Day Safari is a scenic wildlife day trip from Arusha, ideal for travelers who want a compact safari with beautiful landscapes, forest habitats, lake views, and excellent birdlife. Located below the Great Rift Valley escarpment, Lake Manyara National Park offers a different safari atmosphere compared to the open plains of Serengeti or Tarangire.

With Serengeti Wild Tours, this private Lake Manyara Day Safari gives you a professional guide, comfortable transport, and enough time to explore the park's varied habitats. You may see elephants, giraffes, buffalo, zebras, hippos, blue monkeys, baboons, warthogs, and many bird species. It is a good choice for families, couples, first-time safari travelers, and visitors who want a beautiful day safari within northern Tanzania.

## Highlights

- Visit Lake Manyara National Park on a private day safari from Arusha.
- Explore groundwater forest, open plains, lake shore, and Rift Valley scenery.
- Look for elephants, giraffes, buffalo, zebras, monkeys, hippos, and many birds.
- Enjoy excellent birdwatching, with flamingos possible during the right conditions.
- Experience views of the Great Rift Valley escarpment.
- Travel in a private safari vehicle with a professional guide.
- Ideal for travelers with limited time or as an add-on before a longer safari.

## Itinerary

### Day 1

#### Stop 1: Pick-up from Arusha

Accommodation: No accommodation included

Your guide will pick you up from your hotel in Arusha and begin the drive toward Lake Manyara National Park. The route passes through northern Tanzania countryside and small towns before reaching the Rift Valley area. Your guide will brief you about the park, wildlife, scenery, and the main game-viewing areas for the day.

## Frequently Asked Questions

---

### **Can Lake Manyara National Park be visited as a day trip from Arusha?**

Yes. Lake Manyara National Park can be visited as a private day safari from Arusha and is a good option for travelers with limited time.

---

### **What animals can I see on a Lake Manyara Day Safari?**

You may see elephants, giraffes, buffalo, zebras, hippos, baboons, blue monkeys, warthogs, and many bird species. Wildlife sightings depend on season and animal movement.

---

### **Can I see flamingos at Lake Manyara?**

Flamingos may be seen when lake conditions are suitable, especially during certain seasons. Sightings depend on water level, food availability, and bird movement.

---

### **Is Lake Manyara good for birdwatching?**

Yes. Lake Manyara is one of the good birdwatching areas in northern Tanzania, with many water birds, forest birds, and seasonal lake species.

---

### **Is lunch included in the Lake Manyara Day Safari?**

Lunch can be included on request. Most travelers choose a picnic lunch inside or near the park to maximize the day trip.

---

### **Can this day trip start from Moshi?**

Yes. The trip can start from Moshi, but the drive is longer and the price may be higher than a departure from Arusha.
